Dear Friends and Colleagues,

It is with our great pleasure to announce and invite you to join us at The 1st World Congress on Controversies in Multiple Myeloma (COMy). This educational and stimulating Congress will be held in Bangkok, Thailand on May 11-13, 2014.

The 1st COMy Congress will bring to the forefront the latest and most controversial data and information in the field of Multiple Myeloma, providing a unique opportunity for world class leaders in the field to debate vital and contentious issues in Myeloma. This thought-provoking academic dialogue will address the most challenging current clinical and therapeutic questions.

The unique format of the COMy program provides ample time for discussion following each debate and participants are encouraged to take a pro-active role in this academic dialogue. These stimulating debates will provide clinicians with state-of-the-art recommendations regarding patient care.

We invite you to join us for this exciting and unique event in the beautiful and vibrant city of Bangkok.

Sincerely,

Prof. Saengsuree Jootar
