

**Dr. Oren Tene is a senior psychiatrist at the psychiatric outpatient department at the Tel Aviv Sourasky Medical Center. He heads the veterans unit, which treats men and women who suffer from a variety of mental disorders. In his research work, Dr. Tene takes part in a very large ten-year study, which follows the outcome of hundreds of stroke patients (the "Tel-Aviv Brain Acute Stroke Cohort" - TABASCO). In recent years, he is also involved in research related to women's reproductive mental health.**
