## INVITATION TO INDUSTRY SPONSORSHIP AND EXHIBITION PROSPECTUS

A comprehensive congress fully devoted to clinical debates and controversial issues in a wide spectrum of neurological disorders

### **Dear Friends,**

Over the years, the field of neurology is undergoing enormous expansion in clinical and basic data, as well as in field-related technology. With the problem of neurological diseases reaching epidemic dimensions, treatment possibilities have diversified. This development has created the need for debates on the numerous controversial issues in order to attain clinical conclusions.

The 3rd World Congress on Controversies in Neurology (CONy) will function as an exclusive forum for international experts to share and compare experience in order to outline appropriate diagnostic and treatment options. A congress that focuses on clinical controversies is an entirely new concept. It is embarked upon primarily to facilitate effective debates on unresolved clinical and therapeutic dilemmas, resulting in agreement over all issues, and supported by evidence-based medicine and opinions of experts.

Ample time will be provided for discussion and participants will have the advantage of conversing and debating unresolved issues with world authorities in our fields. The Congress aims at providing the ultimate state-of-the-art information and provide clinicians with conclusive recommendations and reliable solutions, all having current paramount significance.

We invite you to participate in the 3rd World Congress on Controversies in Neurology (CONy), the next edition of many future congresses in this field to come.

We look forward to an exciting scientific event in the beautiful city of Prague, Czech Republic.

Professor **Amos Korczyn**  
*CONy Chairman*  
*The 3rd World Congress on Controversies in Neurology*
