

Thematic Meeting 14<sup>th</sup> & 15<sup>th</sup> March 2011, Zurich

**Theme: Unanswered Questions in  
Epilepsy, Stroke, Migraine & Dementia**

**About CONy**

Since its launch in 2007, CONy has become established as a unique meeting where physicians can meet with outstanding experts in all neurology fields, and be updated on the most pressing clinical questions of the day.

CONy is a true educational experience that provides the audience insight into major changes in the rapidly evolving field of neurology and clinical neuroscience.

The program at CONy Congresses is designed to provide an effective forum for discussing and debating unresolved issues by allowing ample time for speakers/audience discussion.

CONy is the only Congress of its kind that focuses mainly on controversial issues in form of debates
