The 9th Annual World Congress on
CONTROVERSIES IN OPHTHALMOLOGY: EUROPE

ATHENS, GREECE • MARCH 22–24, 2018

SUPPORT AND EXHIBITION
Invitation for the Industry
We are pleased to announce and invite you to attend the 9th Annual world Congress on Controversies in Ophthalmology: Europe (COPHy), which will take place in Athens, Greece, March 22-24, 2018.

The great success of the previous eight COPHy EU Congresses, held across Europe in Prague, Barcelona, Istanbul, Budapest, Lisbon, Sorrento, Warsaw and Madrid, as well as the enthusiastic feedback received from the most recent Congresses, confirmed the need for proceeding with the 9th edition of this dynamic Congress.

COPHy EU in Athens again will be devoted to evidence-based debates and discussions amongst session moderators, speakers and the audience, all of whom will examine and analyze the most relevant and controversial issues raised during the course of 2017 and 2018 within the field of ophthalmology. This educational Congress will continue to focus on Anterior Segment, Glaucoma, and Retina, and will discuss controversies in other areas of ophthalmology, such as neuro-ophthalmology, ocular imaging, and uveitis. Topics will include the treatment regimens and drug choices for retinal diseases such as diabetic macular edema or age-related macular degeneration, the role of anti-VEGF agents versus panretinal photocoagulation in the management of proliferative diabetic retinopathy, the current management of corneal disease with the use of advanced technologies for corneal transplants, and novel medical and surgical glaucoma management methods.

Allowing ample time for speaker-audience discussion, the Congress aims at reaching up-to-date and agreed-upon answers to ongoing debates even when data remain limited, through evidence-based medicine, including expert opinion. Participants will have the opportunity to take part in this vibrant meeting which will facilitate discussions on the shared experiences and opinions of leading local and international experts.

We invite you to participate in the 9th COPHy Europe Congress in Athens.

Sincerely,

Prof. Anat Loewenstein  
Israel

Prof. Neil Bressler

Since the launch in 2010, COPHy has established itself as a unique educational congress where physicians meet with outstanding experts from major Ophthalmology fields, and can be updated on the most pressing clinical questions of today. COPHy is the only annual Congress of its kind that focuses mainly on controversial issues.

**AIMS OF THE CONGRESS**

- To promote excellence in the field of Ophthalmology
- To provide an effective forum for discussing and debating unsolved issues by allowing ample time for speakers/audience discussion
- To promulgate ethics and standards of practice and treatment
- To bridge gaps between expansion of basic science and information, and their consolidation into clinical practice
- To make it possible for the industry to meet with outstanding experts in the field, and to update international participants on pressing clinical and technological questions of the day

**WHY SHOULD YOU CONSIDER SUPPORTING?**

Demonstrate your company’s leadership in the field of Ophthalmology
Reach key thought leaders academic and industry researchers and clinicians
Raise your company’s visibility in the field
Exhibit and distribute your marketing and promotional materials
Convene a corporate symposium

**CME ACCREDITATION**

**COMMITMENT TO THE HIGHEST STANDARDS IN CME/CPD**

ComtecMed is committed to deliver within the platform of the Congress valuable knowledge based on independent, transparent, and effective CME/CPD educational programs by:

- Championing best practice in CME
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

For more information, visit: [www.gcmepe.eu](http://www.gcmepe.eu)

**INTERNATIONAL CME ACCREDITATION**

An application for CME Credit will be made once the scientific program is finalized. Further details will be available on the Conference web site: [www.comtecmed.com/cophy](http://www.comtecmed.com/cophy)

**INDUSTRY-SPONSORED SYMPOSIA**

Industry-Sponsored Symposia are offered to industry as non-CME commercial/promotional sessions. As such, companies are free to choose their topics, invite speakers, and control content. However, topic and program are subject to approval by the scientific committee and all such sessions will be indicated in the program as: Industry-Sponsored Symposia (not included in the main event CME/CPD credit offering).

ANCILLARY EVENTS POLICY DURING COPHY CONGRESSES

The COPHy Secretariat and Co-Chairs have recognized that at the COPHy Annual Congress attendees and companies seek to maximize their networking opportunities and fulfill their professional responsibilities while at a location with so many of their colleagues.

To accomplish these goals COPHy will make every effort to make available their time and space in COPHy -controlled meeting facilities (convention center or headquarter hotels) for Ancillary Events which do not compete or conflict substantially with the official scientific program.

• Ancillary Events may not be commercial or educational in nature, i.e., they may not include a scientific program with presentations, posters, or lectures, nor include marketing demonstrations or commercial presentations.

• Ancillary Events with more than 25 attendees may not be scheduled in conflict with the official scientific program of COPHy

• Ancillary Events with more than 25 attendees may not be scheduled during the official scientific program of COPHy

DEFINITION OF ANCILLARY EVENTS

Ancillary Events are non-COPHy -sponsored special group events, such as business meetings of other organizations or social gatherings, held in conjunction with the COPHy Annual Congress. Ancillary Events are not planned or sponsored by COPHy.

Ancillary Events may not be commercial or educational in nature, i.e., they may not include a scientific program with presentations, posters, or lectures, nor include marketing demonstrations or commercial presentations.

• Business Meetings: Meetings of non-commercial editorial boards, non-profit organization boards, or other non-COPHy committees/working groups, study groups, etc.

• Exhibitor Internal Meetings: Meetings for COPHy exhibitor’s corporate personnel: COPHy exhibitor hospitality suites.

• Investigator Meetings: Meetings for investigators of ongoing research (may be sponsored only by a COPHy exhibitor).

• Social Events: Receptions, dinners, alumni events, reunions, and specialty groups where there is no educational/scientific program presented.

REQUESTS FOR ANCILLARY EVENTS

Requests for Ancillary Events must be made on official forms and approved by COPHy, regardless of COPHy Annual Congress Ancillary Events Policy the location of the event. For meetings with more than 15 attendees, fees will be charged for requests made after a certain date.

Ancillary Events should be planned and scheduled in support of the COPHy Annual Congress.

Commercial organizers of Ancillary Events must be supporters of the COPHy Annual Congress at the value of not less than the cost of an inside 10x10 booth. Commercial ancillary event organizers who are not exhibitors will incur additional service charges for multiple events.

Fees for participation by Annual Congress attendees outside of the recovery of food and beverage costs, such as registration fees, must be approved by COPHy. All costs for the activity, including decorator, audio-visual setup, and room changes, must be borne by the organizers. All event expenses must be paid promptly and non-payment may result in action by COPHy.

The use of the COPHy logo, trademark, or name in conjunction with publicity must be pre-approved. COPHy may not be represented as cosponsoring an event unless a formal request has been submitted to and approved by COPHy.

Conducting demonstrations and/or displays of commercial products will not be permitted during Ancillary Events.

Only Ancillary Events open to all Annual Meeting registrants will be listed in the Annual Congress related publications.

Signs, directional or informational, must be approved by, and coordinated with, COPHy Congress management when placed in COPHy -controlled Congress facilities. Each sign must state that “This event is not organized or sponsored by COPHy.” Organizers must remove any meeting-related materials from their assigned rooms at the conclusion of the event.

All participants in Ancillary Events must register for the Annual Congress unless requests for passes for non-scientific participants are received in writing at the time the Ancillary Event is approved.

BREACH OF POLICY

Organizers must adhere to the responsibilities outlined in the policy and on the official forms to avoid cancellation of the activity. Failure to adhere to the policy may result in any or all of the following actions by COPHy:

• Cancellation of Ancillary Event

• Refusal to allow company or group the opportunity to exhibit or hold symposia, meetings, or other events in COPHy-controlled meeting facilities in current year or a specified number of future years.

BREACH OF POLICY
